

Dear MedWish volunteer/guest:

In light of recent events, and due to the increase in confirmed coronavirus (COVID-19) cases in Ohio, MedWish has made the difficult but responsible decision to suspend the volunteer program until further notice. As a global health centered organization, we are considering both the public at large, as well as our local community in regards to this determination.

We will continue to monitor the situation and will communicate necessary information as it arises.

Please expect to hear from us at the end of the month with an update regarding the MedWish volunteer schedule.

We apologize for any inconvenience this may cause, and we thank you for your continued support.

Sincerely,

MedWish International
