**FOR IMMEDIATE RELEASE:**

**Cleveland-based MedWish responds to crisis in Ukraine**

**CLEVELAND (March 1, 2022)** – MedWish International is responding to critical medical supply shortages and other basic emergency needs resulting from the humanitarian emergency in the Ukraine.

The Cleveland-based organization is working with long-standing Ukrainian recipients to distribute medical supplies and equipment as well as basic emergency supplies to relief organizations in the Ukraine and surrounding countries directly assisting those impacted by the emergency.

*“MedWish has had extensive experience in providing international humanitarian aid and we are willing and able to use our strengths as an organization to provide aid to individuals and organizations who are impacted by the crisis in Ukraine.”* said Allison Busser, Director of Development at MedWish.

Those looking to contribute to the relief efforts can donate supplies, register to volunteer or make a financial contribution in support of our operations can visit <http://www.medwish.org/ukraine>. A list of supplies can be found [here](#).

**About MedWish International**

*MedWish International is a Cleveland-based nonprofit organization that saves lives and the environment by repurposing discarded medical supplies and equipment to provide humanitarian aid to people in need. In 2021, MedWish shipped 431,000 pounds of supplies and equipment, impacting nearly 2 million people at home and around the world. We have worked tirelessly to provide aid to those in need, and look forward to continuing this work in 2022.*
